

Dress Rehearsal Schedule

THURSDAY, JUNE 19TH, 2014

IMPORTANT NOTE: In a perfect world, we understand that everyone would like a rehearsal time between 6-7PM. The reality is, that's not physically possible. Truly, we wish it were too. But the truth is we are allotted the theater for only 2 days to rehearse all of our numbers and have to squeeze them in, preferably in performance order to make our show as strong as possible, and we must use whatever time that allows us. We appreciate your dedication and appreciate even more your willingness to work with the schedule we have to utilize without complaint. Thank you ahead of time for your support.
